

**Safeguarding
Training Centre**
from The Key

Training beyond compliance <

Safeguarding Training Centre is the simplest, most cost-effective and time-saving way for designated safeguarding leads to train staff on the latest requirements and report on staff knowledge.

Must-have knowledge for ...

Designated Safeguarding Leads

- 🔗 INSET pack 2020/21
- 🔗 Safeguarding assessment
- 🔗 Termly staff briefings and handouts

Staff and governors

- 🔗 Safeguarding and child protection: the essentials
- 🔗 Preventing radicalisation
- 🔗 Safer recruitment in education

Parents

- 🔗 Child safety on TikTok
- 🔗 Child safety on Youtube
- 🔗 Child safety and cyber flashing

Membership includes:

- A ready-to-deliver INSET pack, updated annually to reflect latest guidance
- Unlimited access to eLearning courses
- Staff assessments to identify areas for future development
- A personalised school dashboard to evidence staff understanding
- Termly briefings focusing on key safeguarding issues
- Informative fact sheets for staff and parents

Safeguarding Training Centre will help you to ...

- Stay up-to-date with statutory changes to safeguarding policies
- Save time inducting staff joining mid-year
- Easily report on who has completed and passed training
- Track staff confidence and identify gaps in knowledge

We're proud to support over 3,000 schools with the essential guidance they need to meet their statutory obligations
